1. PDF at final imprint size
2. TIFF at final imprint size

PRODUCT USES

1. Product Launch
2. On Pack Promotions
3. Direct Mail
4. Gift with Purchase
5. Tradeshow Traffic Builder
6. Creative Packaging
7. Vending Promotions

FILE SUBMISSION GUIDELINES

Our goal is to provide you with a product that will be delivered on time with a quality imprint and quality compression. 2008 marks our 25th year of producing quality screen printed garments. We print on 100% cotton, name brand t-shirts for best reproduction and compression.

IMAGE SIZE/LOCATION

Image should be submitted at 100% of printed size
Left or Right Chest - 3.5" wide standard imprint size
Full Front or Full Back - 12.5" x 14" maximum imprint
Back Neck - 2" below collar - 3" wide standard imprint size
Sleeve - 3.25" wide maximum imprint

INSERTS FOR COMPRESSED T-SHIRTS

Inserts are digitally printed on bright white cover stock. Longer runs are offset printed in four color process or spot color.

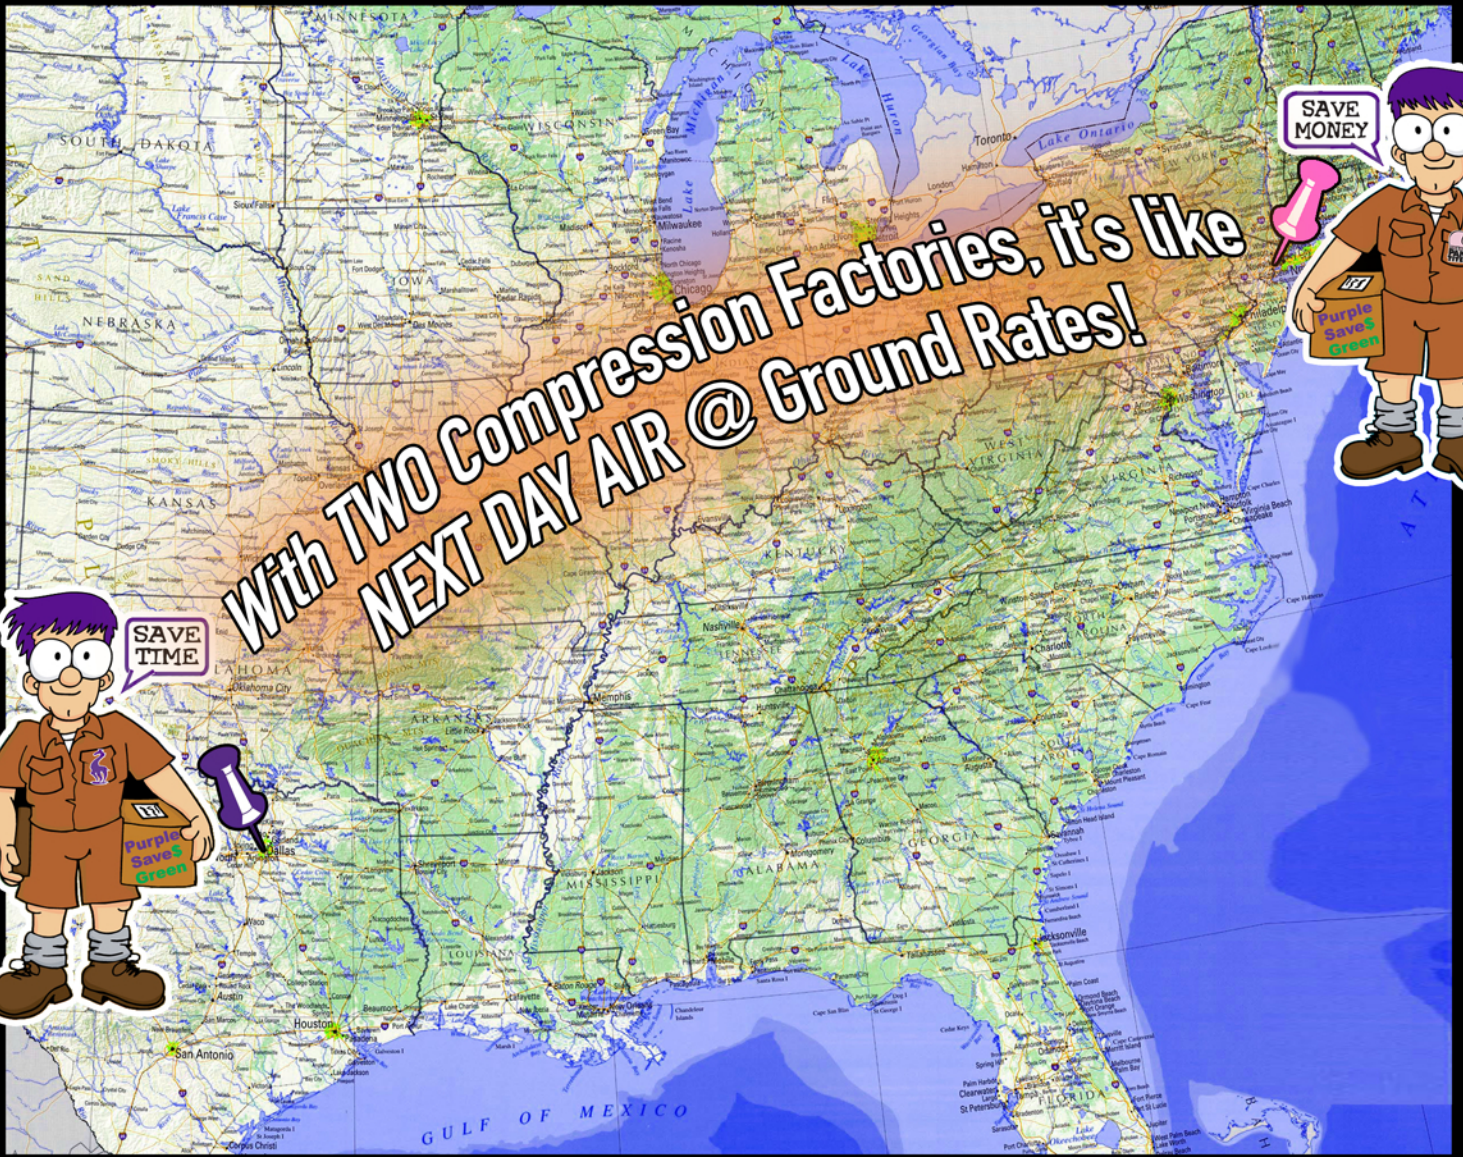

Templates for insert shapes are available to download from our website at www.PurpleG.com. If you can't find what you're looking for, our art department can e-mail you the template you need.

2-3% under/over allowance. You will be billed for exact quantity shipped.

Most shapes can accommodate tee sizes Medium, Large, or XL. Many shapes can accommodate various sizes and weights of towels. Please contact your distributor for available sizes relative to desired shape.
